Voting will be by survey monkey which will be sent to the alumni in each region with the nominees and their statements for that region. Please send your nomination and statement as to why you would like to serve on the F Warrior Board to jerrywperry@gmail.com or jerry@jperrylaw.com

WHY IS IT IMPORTANT TO SERVE ON THE F WARRIOR ALUMNI BOARD

In 1997 Gerry Spence and the Trial Lawyer's College Board knew that after the three week program there needed to be follow up with alumni to help us continue on our journey to be real----- real to ourselves, real to our clients, and real to our fellow citizens – the jurors. They formed the F Warrior Alumni organization. Its formation was organized to support educational programs and experiences for the people's trial lawyers, including the programs offered by The Trial Lawyer's College. TLC alumni now number about 2,000 and growing. We need a strong organization to remain connected to each other as support. Serving on the Board and helping us develop innovative ways to stay connected is vital to continue what we began at Trial Lawyer's College. Through the F Warrior Board, we help each other in this mission to 'represent and obtain justice for individuals; the poor, the injured, the forgotten, the voiceless, the defenseless and the damned, and to protecting the rights of such people from corporate and government oppression'

*If we don't help support the alumni, all we have learned and need to continue to learn will be lost.
Jerry Perry, Alumni Board President Elect*

Recommended qualifications for the F Warrior Alumni Board members:

- *Be a graduate of the Trial Lawyer's Collage with an active trial practice and a demonstrated loyalty to the College's Mission Statement and that of the F Warrior Alumni Association*
- *Commit to attend one TLC Seminar every year of your board service, preferably Trial Skills for Lawyers, in order to help you "work on the horse", maintain your connection to the College, and hone your directing skills; and also attend the F Warrior Annual Meeting in November.*
- *Support the alumni in your region in numerous unique and creative ways that help keep them connected to the College, including facilitating and or participating in alumni Local Working Groups in your region.*
- *Through the alumni network in your region, identify and recommend at least one educational article for each quarterly issue of the Warrior magazine.*
- *Support TLC and help identify future alumni by participating in the F Warrior Ambassador program through invited complimentary attendance at TLC Regional Seminars.*
