Dear Alumni:

I have asked for the Trial Lawyers College that I created along with my dear friends Bob Rose, John Johnson and others to vacate the ranch.

I have created a new entity, "Gerry Spence's Trial Lawyers' College at Thunderhead Ranch", which will be open to any who wish to join us.

The college will carry on my mission and will ensure that it is open to all who are similarly committed. Any support you may wish to offer will be appreciated.

Our contact information is [info@spencetlc.com](mailto:info@spencetlc.com)

Love,

Gerry Spence
